

The term “copyright” protects rights to the intellectual property that Paul Trummel (Nmesis) has created and associated with *Contra Cabal*. It includes text, photographs, cartoons, and illustrations. It protects him against unauthorized use of his work and entitles him to benefit from that work. The term “moral rights” refers to attribution (bylines, credits). British law protects the author from derogatory treatment of, or alterations to, original material in any way that prejudices the author or his reputation. This includes editing in any way that distorts the original meaning or deliberately introduces mistakes.

No person or organization may use or reproduce in any form any part of *Contra Cabal* inconsistent with the author’s copyright or moral rights. This prohibition applies to unauthorized uses or reproductions, for public or private use. It applies to reproduction in any form or by any means, electronic or mechanical. This includes photocopying, printing, recording, information storage and retrieval, also all electronic applications. However, intending publishers may obtain a one-time publication license signed by the author. Publication of the same or similar material in other titles or electronic media, besides the medium covered by the original license, requires additional licenses.

Reviewers may extract brief quotations and embody them in critical articles and reviews published in printed periodicals or newspapers, without permission. However, both licensed publishers and reviewers must attribute the author. They must also send him a printed copy of the published article or review within thirty days of publication. No person or organization shall, by way of trade or otherwise, circulate any part of *Contra Cabal* without appending a reference to the publisher’s license. This condition also applies to subsequent sub-licensees.

The author employs the Authors’ Licensing and Collecting Society to collect reproduction fees from publishers for material published, in whole or in part, in any medium. Additional fees fall due from publishers for licensed rights beyond first use or for reprints in any printed or electronic media.
